

## Software registration form

CropLife Europe (CLE) provides software for electronic submission on its website <https://esubmission.croplifeeurope.eu/>, in accordance with the terms and conditions detailed in the [license agreements](#).

To receive the download links to the software and related assets as well as request software support from CLE, please register by filling out the form in the PDF below (do not print, please enter your data in the PDF fields and then save the PDF).

CLE processes your data in accordance with the [CLE privacy policy](#) and specifically for the following purposes in relation to the software on the eSubmission website:

- Optimization of CLE's software development;
- Organization of the software support activities;
- Better understanding of the user community and needs;
- Ability to contact users in case of software issues and/or to notify new releases.

Your personal data will not be shared with third parties without your express prior consent. Only members of the CLE eSEG (**e**lectronic **S**ubmission **E**xpert **G**roup) and IT consultants responsible for the software development and maintenance will have access to the data.

By registering you agree to the processing of your data by CLE in accordance with the [CLE privacy policy](#) and the [license agreements](#).

Please use the contact and email for registration in your organization that you want to use for future communication. You can optionally supply a secondary email that can be used for IT support requests specifically.
